

Mix-it-Up with Martha White
Order Form

Mix-it-Up with Martha White is an introductory baking activity for lower level 4-Her's. Everyone gets to participate, everyone succeeds and everyone is recognized.

Here is how it works:

- We will supply you with a mix coupon and a simple recipe leaflet for each 4-Her who wants to participate.
- They redeem the coupon and use the mix to create a simple recipe with the help of a parent or guardian. (It can be as simple as adding one ingredient.)
- Then they bring their baked product to a club meeting, tell how they made it and share it with their friends.
- Everyone receives a colorful certificate of achievement that can be personalized with the recipient's name.

What better way to expose young folks the fun of baking and sharing with others.

Other Options

- Use Mix-It-Up with Martha White as an activity at 4-H Camp
- Bake together, if you access to a cooking facility.
- Use as a part of a community service project.

Request for Materials

Number of participants: _____ (You will receive one coupon, brochure and certificate per 4-Her)

Number of leader guides (1 per leader): _____

Send to: (Street address for delivery - not a PO Box)
