

Tennessee Farm Family

HEALTH AND WELLNESS

The Tennessee Farm Family Health and Wellness (FFHW) program is focused on making long-term health investments in Tennessee farm families and their communities. The course consists of live and recorded webinars that can be watched as your schedule allows. Five live, Zoom-based webinars will be held every other Thursday night at 6:00 p.m. (CT) / 7:00 p.m. (ET) beginning January 28, 2027. Registered participants will be emailed a Zoom link and instructions before each session. Recordings will be posted for further viewing. To complete the course, seven total sessions must be completed. This can be any combination of the 28 webinars from 2022 through 2027.

2027 Webinar Topics:

January 28 - Managing Chronic Health Conditions: Practical Strategies for Daily Living

February 11 - Off-Road and At Risk – Operating Off-Highway Vehicles

February 25 - Why should we care about ticks and mosquitoes?
