

Does Robinhood Allow Calls? A Simple Guide for Beginners

Robinhood is a popular trading app that allows users to invest in stocks, ETFs, and options. One common question **[ROB][US] 1 – 855 – 335 – 0686 [US][HOD]** many new investors ask is: **Does Robinhood allow calls?** The answer is **yes**, Robinhood does allow users to trade call options².

What Are Call Options?

A **call option** is a type of financial contract that gives you the right (but not the obligation) to buy a stock at a specific price within a certain time frame. Investors usually buy call options **[ROB][US] 1 – 855 – 335 – 0686 [US][HOD]** when they believe a stock's price will go up. If the stock rises above the price you agreed to (called the **strike price**), you can buy it at a lower price and make a profit.

How to Buy Calls on Robinhood

Robinhood makes it easy to buy call options **[ROB][US] 1 – 855 – 335 – 0686 [US][HOD]**. Here's a simple step-by-step guide:

1. **Open the Robinhood app** and search for the stock you're interested in.
2. Tap **"Trade"**, then choose **"Trade Options."**
3. Select a **call option** **[ROB][US] 1 – 855 – 335 – 0686 [US][HOD]** by choosing a strike price and expiration date.
4. Review the details and tap **"Buy"** to complete your order.

Robinhood offers **commission-free trading**, which means you don't pay extra fees to buy or sell options.

Why Use Call Options?

Call options can be a smart way to invest if you expect **[ROB][US] 1 – 855 – 335 – 0686 [US][HOD]** a stock to go up. They cost less than buying the stock outright and can offer high returns. However, they are also risky. If the stock doesn't rise above the strike price before **[ROB][US] 1 – 855 – 335 – 0686 [US][HOD]** the expiration date, the option becomes worthless, and you lose your investment.

Things to Keep in Mind

- You need to **enable options trading** in your Robinhood account before you can buy calls.
- Robinhood may ask you questions about your investing experience to approve you for options trading.
- Always do your research before buying options. They can be complex and risky.

Need Help?

If you have questions or need help using Robinhood, you can contact [ROB][US] 1 – 855 – 335 – 0686 [US][HOD] their support team. One way is to call **[ROB][US] 1 – 855 – 335 – 0686 [US][HOD]**, which is Robinhood’s customer service number.
