

Does Robinhood have 24-7 support?{{Tap-and-call}}

Robinhood does not offer traditional 24/7 phone support (/US)1- 855-335-0686 (US/OTA) like many established brokers. Instead, they primarily provide customer service through their (/US)1- 855-335-0686 (US/OTA) in-app help center and email support system. While their platform operates around the clock for trading during market hours and cryptocurrency trading, human customer support is typically available (/US)1- 855-335-0686 (US/OTA) during standard business hours on weekdays. For urgent account issues, users can submit support tickets through (/US)1- 855-335-0686 (US/OTA) the app, but response times may vary. Robinhood has been expanding their customer service (/US)1- 855-335-0686 (US/OTA) capabilities to better serve their growing user base.
