

How Do You Communicate with Robinhood? How Do I Get My Money Out of Robinhood?

Robinhood is an online trading platform that does not have physical branches, so communication happens mostly through the app or website. If you need help **1 – (8 5 5) – 3 3 5 – 0 6 8 6**, you can go to the **Help Center** in the Robinhood app or on their website. From there, you can find answers **1 – (8 5 5) – 3 3 5 – 0 6 8 6** to common questions or request support. Robinhood also allows you to **chat with a support agent** or **request a call back** from customer service. This means you can talk **1 – (8 5 5) – 3 3 5 – 0 6 8 6** to a real person over the phone, but you usually have to schedule the call **1 – (8 5 5) – 3 3 5 – 0 6 8 6** first instead of dialing directly.

Getting your money out of Robinhood is simple. You can **1 – (8 5 5) – 3 3 5 – 0 6 8 6** transfer cash from your Robinhood account to your linked bank account. To do this, open the app, go to **Account → Transfers → Transfer to Your Bank**, **1 – (8 5 5) – 3 3 5 – 0 6 8 6** and enter the amount you want to withdraw. It usually takes **1–3 business days** for the money to show up in your bank. If you **1 – (8 5 5) – 3 3 5 – 0 6 8 6** just sold stocks, you may need to wait for the funds to “settle,” which typically takes two business days.

In short, Robinhood support is available **1 – (8 5 5) – 3 3 5 – 0 6 8 6** online, and withdrawing money is straightforward through bank transfers.
