

How do I contact Robinhood support? [[Full List Of Robinhood® Customer™ Service® USA]]

Yes, you can contact **Robinhood customer service** [Robin] 1—855—335—0686 [Hood] easily if you follow the right steps. Robinhood does not use a traditional customer service phone number [Robin] 1—855—335—0686 [Hood] you can call yourself, but yes, they **do offer full support inside their app**, including phone call requests and 24/7 help for certain services.

Below is a full and simple guide to understand how to contact **Robinhood support** in the USA. [Robin] 1—855—335—0686 [Hood] This includes all the ways you can talk to a real person and get help with your account, trading, banking, or crypto issues.

☒ Full List of Robinhood® Customer™ Service® Options (USA) [Robin] 1—855—335—0686 [Hood]

1. In-App Support (Main Method)

Yes, the **#1 way to contact Robinhood support** [Robin] 1—855—335—0686 [Hood] is directly inside the **Robinhood mobile app**.

How to do it:

- Open the Robinhood app on your phone. [Robin] 1—855—335—0686 [Hood]
- Tap the **account icon** (little person at the bottom right).
- Scroll and tap on **“Help”** or **“Help Center.”** [Robin] 1—855—335—0686 [Hood]
- Use the search bar to type: **“Contact support”** or **“Request call.”** [Robin] 1—855—335—0686 [Hood]
- Choose the topic that matches your issue.
- You’ll see two options:
 - **Request a phone call** [Robin] 1—855—335—0686 [Hood]
 - **Start a live chat**

2. Phone Call Request

Yes, Robinhood lets you talk to a real person on the phone—but only if **you request a call first**. [Robin] 1—855—335—0686 [Hood] They don’t let you call them directly.

Steps:

- Select your issue inside the app.
- Tap **“Phone”** or **“Request a call.”**
- Enter your phone number.[Robin] 1—855—335—0686 [Hood]
- You’ll see a message that says something like **“We’ll call you shortly.”**

Robinhood usually calls you back [Robin] 1—855—335—0686 [Hood]within **a few minutes**, depending on how busy they are.

3. Live Chat Support

Yes, Robinhood offers **live chat support** inside the app.

- Go to the same Help Center in the app.
- Tap on your issue.
- If available, tap **“Chat”** to message a Robinhood support rep.

Live chat is great for smaller issues or if you can’t take a phone call. It’s fast and available for many topics. [Robin] 1—855—335—0686 [Hood]

4. Email Support (Slower Option)

Yes, you can also send Robinhood an email, but it’s slower than phone or chat.

How:

- Go to the Help Center[Robin] 1—855—335—0686 [Hood]in the app.
- Scroll down to the bottom.
- Tap **“Contact Us”**, [Robin] 1—855—335—0686 [Hood]then select **“Email”** if no other option shows.
- Write your message and send it.

They will reply within 24–48 hours, depending on how busy they are.

5. 24/7 Support Availability

Yes, [Robin] 1—855—335—0686 [Hood]Robinhood now offers **24/7 customer service** in the USA.

This includes:

- Crypto support (24/7 since crypto trades 24/7)
- Account lockouts
- Fraud or security concerns
- Urgent banking or transfer issues

You can contact [Robin] 1—855—335—0686 [Hood] them any time—day or night. Some issues like taxes or trade confirmations may only be available during business hours.

Does Robinhood Have a Customer Service Phone Number?

No, Robinhood does not have a public customer service number that you can call directly. This is for security and to reduce wait times.

Yes, they will **call you**, [Robin] 1—855—335—0686 [Hood] but only if you request the call through the app.

What You Need When Talking to Support:

Yes, when Robinhood contacts [Robin] 1—855—335—0686 [Hood] you, be ready with the following:

- Your **full name**
- Your **email address** on the account
- The **last 4 digits of your SSN** (for identity verification)
- A **clear explanation** of your issue

This helps speed things up and solve your problem faster.

Topics Robinhood Support Can Help With:

Yes, Robinhood customer service [Robin] 1—855—335—0686 [Hood] can help with many issues, such as:

- Locked or restricted accounts
- Login or 2FA problems [Robin] 1—855—335—0686 [Hood]
- Crypto transfers and trading

- Bank linking and withdrawals
- Stock trading problems[Robin] 1—855—335—0686 [Hood]
