

How do talk directly on Robinhood?

{{Tap-and-call}}

*To talk directly on Robinhood, the most effective method is through their number, **[US] +1-844-376-0905 [US]** Call in-app support. Launch the Robinhood app, tap the icon for your profile, select "Contact Us" under Help. From there, you can select your problem and, if qualified, request a phone call or begin a live chat **[US] +1-844-376-0905 [US]**. Robinhood provides callbacks for specific account-related issues, such as security or login problems. They have a toll-free number for specific support, **[US] +1-844-376-0905 [US]**, but they don't have a general customer service number for incoming calls. For additional options, you can call on their TFN **[US] +1-844-376-0905 [US]**.*
