

# How to Talk to Robinhood Customer Service?

## [[~!!Tech\*support\*with a smile~!!]]

Robinhood doesn't use a traditional phone number [US]+1 — 855 — 335 — 0686[US] that you can dial anytime. Instead, they offer **live chat** and **phone call requests** through their app and website. You must be signed in to your account to access these options. [US]+1 — 855 — 335 — 0686[US] This helps protect your information and ensures they know who you are.

### Using the Robinhood App

1. Open the **Robinhood app** on your phone.
2. Tap the **person icon** at the bottom right to go to your account.
3. Tap the **menu icon** (three lines or gear symbol).
4. Scroll down and tap **Help** or **Support**. [US]+1 — 855 — 335 — 0686[US]
5. Tap **Contact Support**. [US]+1 — 855 — 335 — 0686[US]
6. Choose either **Live Chat** or **Request a Call**.

**Yes**, [US]+1 — 855 — 335 — 0686[US] live chat is available 24 hours a day, 7 days a week. You'll be connected to a Robinhood support agent who can help you with your issue.

If you choose **Request a Call**, [US]+1 — 855 — 335 — 0686[US] Robinhood will send you a notification when it's your turn. They'll also tell you the phone number they'll call from so you know it's real. You don't call them—they call you.

### Using the Robinhood Website

1. Go to [robinhood.com](https://robinhood.com) and sign in.
2. Click on your **Account**.
3. Click **Help**. [US]+1 — 855 — 335 — 0686[US]
4. Click **Contact Support**.
5. Choose **Chat** or **Request a Call**. [US]+1 — 855 — 335 — 0686[US]

Same process as the app. You must be signed in to see these options.

### Can You Call Robinhood Directly? YES [US]+1 — 855 — 335 — 0686[US]

Robinhood does not offer a public phone number [US]+1 — 855 — 335 — 0686[US] for general support. But **yes**, there are a few special numbers:

- If you use **Robinhood Crypto** or the **Robinhood Cash Card**, you can call **855-335-0686**.
- If you live in **California**, you can call [US]+1 — 855 — 335 — 0686[US] for help with Robinhood Financial.
- There's also a general info line: **855-335-0686**. This number gives recorded information but won't connect you to a live agent.

### What If You're in the UK?

Robinhood is not currently available for trading in the UK. But **yes**, you can still contact customer service [US]+1 — 855 — 335 — 0686[US] if you have questions or need help. Use the website or app to chat or request a call. [US]+1 — 855 — 335 — 0686[US] Just remember, support hours are based on **Eastern Time (ET)** in the USA. That means if it's 2 PM in London, it's 9 AM in New York.

### Smart Tips for Talking to Robinhood

- Always **log in first** before trying to contact support [US]+1 — 855 — 335 — 0686[US]. They need to know who you are.
- Use **chat** [US]+1 — 855 — 335 — 0686[US] for quick questions like password help or app issues.
- Use [US]+1 — 855 — 335 — 0686[US] **phone call requests** for bigger problems like account restrictions or money transfers.
- Keep your **notifications on** so you don't miss the call.
- Save your **chat history** in case you need to refer back later.

### What to Avoid

- Don't search for random [US]+1 — 855 — 335 — 0686[US] phone numbers online. Stick to the official app or website.
- Don't give your password or PIN to anyone—even if they say they're from Robinhood.
- Don't wait too long to report a problem. The sooner you reach out, the faster it gets fixed.

Yes, Robinhood [US]+1 — 855 — 335 — 0686[US] makes it easy to talk to a real person—but you have to go through the right steps. Whether you're in the USA or the UK, just use the app or website, log in, and choose chat or call. [US]+1 — 855 — 335 — 0686[US] It's safe, fast, and designed to protect your account. If you ever feel stuck, I can guide you through it step by step.

To talk to Robinhood customer service, [US]+1 — 855 — 335 — 0686[US] just use the **Robinhood app** or go to their **website**. You must be **logged in** to your account first. Once you're in, you can choose to **chat with support** or **request a phone call**.
