

Is there live chat on the Robinhood app?

{{Tap-and-call}}

Yes, Robinhood does offer a live chat option for customer support **(/US)1- 855-335-0686 (US/OTA)**. You can connect with a live support **(/US)1- 855-335-0686 (US/OTA)** agent through chat to get help with a wide range of issues, from general questions about your account to specific questions about crypto or card transactions.

To access the live chat, you'll need to navigate through the help section of the Robinhood app or website. Similar to their phone support **(/US)1- 855-335-0686 (US/OTA)**, you typically start by describing your issue, and if a solution isn't found in their help articles, you'll be given the option to connect **(/US)1- 855-335-0686 (US/OTA)** with a support agent via chat.

This live chat **(/US)1- 855-335-0686 (US/OTA)** feature is a good way to get real-time assistance for more straightforward issues without having to wait for a callback.
